

MD RAKIBUL ISLAM

FRONT END DEVELOPER

PROFESSIONAL PROFILE

Passionate Front-End Developer with a mission to create delightful digital experiences. With a strong foundation in development principles and a keen eye for detail, I specialize in translating complex ideas into user-friendly interfaces. I enjoy being up to date on the latest technological trends. Recently I completed web development course from Programming Hero. Now I'm focusing on learning the newest technologies like TypeScript, Redux, Next Js. I'm putting a lot of effort into learning these new technologies since I really think that one should never stop growing. My goal is to stay ahead of the game and help shape the future of technology.
